I. MINUTES OF THE PREVIOUS MEETING

Chairperson Bates asked if there were additions or corrections to the minutes of the July 21, 2022, Planning & Zoning Commission meeting.

Chairperson Bates called for a motion to approve the minutes of the July 21, 2022, Planning & Zoning Commission meeting.

Mr. Hutchison made a motion to approve the minutes of the July 21, 2022, meeting. The motion was seconded by Ms. Fales-Hall.

All those present voted aye. Motion carried.

II. PUBLIC HEARINGS

Our first case this evening:

ANX-227-2022 – Petition for Annexation of 2.0-acres located at 3025 Paradise Drive, into the Casper City Limits. Said parcel is currently described/platted as Dowler No. 2 Subdivision, Tract 8. Applicant: Paradise Valley Christian Church.

ZOC-228-2022 – Petition for a zone change of the 8.2-acre Paradise Valley Christian Church property located at 3041 Paradise Drive, and the 2-acre property located at 3025 Paradise Drive, which is currently being considered for annexation into the City of Casper. The proposed zoning request will make the zoning of all of the church's 10.2-acre property uniform, as C-2 (General Business). The current zoning of the properties are PUD (Planned Unit Development – City Designation) and SR1 (County Designation). The properties are legally described as Dowler No. 2 Subdivision, Tract 8, and the Paradise Acres Addition. Applicant: Paradise Valley Christian Church.

Craig Collins, City Planner presented the staff report and entered 6 exhibits into the record for this case.

Chairperson Bates opened the public hearing and asked for the person representing the case to come forward and explain the application.

Mr. Dan Elston, 85 Primrose, Casper, WY spoke as representative for this case.

Mr. Elston addressed the commission regarding the project and shared Paradise Valley Church's plans to build a larger building that will seat 500. The Church will move from their current location on Paradise Drive to this location after completion.

Mr. Elston entered the draft concept plan for the church as an additional exhibit.

Chairperson Bates asked if there was anyone in the audience wishing to speak in favor of or opposition to this case?

There being no others to speak, Chairperson Bates closed the public hearing and entertained a motion to approve, deny or table **ANX-227-2022** regarding the annexation.

Mr. Hutchison made a motion to approve case **ANX-227-2022**. The motion was seconded by Ms. Fales-Hall.

Chairperson Bates entertained a motion to approve, deny or table **ZOC-228-2022** regarding the annexation.

Ms. Fales-Hall made a motion to approve case **ZOC-228-2022**. The motion was seconded by Mr. Hutchison.

All those present voted aye. Motion carried

III. SPECIAL ISSUES:

Mr. Collins addressed the Commission regarding the September meeting. There are no cases for September. Mr. Collins suggested that the group could use the time for additional training or they could choose to cancel the meeting. Mr. Collins will send out an email and the Commissioners will have until Aug 25, 2022 to share their preference.

IV. COMMUNICATIONS:

- A. Commission:
There were none.
- B. Community Development Director:
Ms. Becher shared that the vacant commissioner position has been posted and interviews should happen in September, with Council approval in October.
Ms. Becher also invited the Commission to attend the Coffee Talk event on September 1, 2022 at 7:00am at City Hall in the Council Chambers.
- C. Council Liaison:
Mr. Knell addressed the Commission and encouraged the group to attend the Coffee Talk and thanked them for their service.
- D. OYD and Historic Preservation Commission Liaisons:
OYD – There was no meeting in July
HPC – Next meeting will be a tour of the Red Butte Battle site.
Meeting at Whiskey Gap @ 8:30 on September 12th.
- E. Other Communications:
Chairperson Bates congratulated all those that made it through the primaries and wished them good luck in November.

V. ADJOURNMENT:

Chairperson Bates adjourned the meeting at 6:30pm.

SUBJECT: **SUB-266-2022 & ZOC-271-2022**– Petition for a vacation and replat creating the Pasadena Addition to the City of Casper, encompassing 20-acres, more or less, and located at 123 West “E” Street. Said vacation and replat comprises all of the Goldwater Addition, Portions of Goldwater Addition No. 2, Portions of the vacated North David Street ROW, Portions of the Liberty Addition, and a Portion of the NE1/4SW1/4 & NW1/4SE1/4, Section 4, T.33N., R.79W., 6th P.M. In addition to the replat, the applicants have submitted a petition to establish the zoning of the unzoned portion of the Pasadena Addition as C-2 (General Business), to be consistent with the current zoning classification of the balance of the proposed subdivision. Applicants: West Center Hospitality RE, LLC/Greenlake Real Estate Fund, LLC/Greenlake Investment Management, LLC.

Recommendation on the replat:

If, after hearing public testimony, and considering the facts of the case, the Planning and Zoning Commission finds that the proposed vacation and replat meets the minimum requirements of the Casper Municipal Code, staff recommends approval with a “do pass” recommendation to the City Council.

Recommendation on the zone change:

If, after hearing public testimony, and considering the facts of the case, the Planning and Zoning Commission finds that the proposed zone change of the subdivision to C-2 (General Business) meets the minimum requirements of the Casper Municipal Code, and is in conformance with the Comprehensive Land Use Plan, staff recommends approval of the zone change, with a “do pass” recommendation to the City Council.

Code Compliance:

Staff has completed all public notice requirements of Sections 16.24 and 17.12.170 of the Casper Municipal Code pertaining to plats and zone changes, including notification of property owners within 300 feet by first class mail, posting a sign on the property, and publishing legal notice in the Casper Star-Tribune. **At the time that the staff report was prepared staff had not received any public comments.**

Applicable City Codes and Adopted Policies/Plans

1. The Planning and Zoning Commission's decision with regard to the vacation and replat is a recommendation to Council. With an approval, a "do-pass" recommendation will be forwarded. With a denial, a "do-not-pass" recommendation will be forwarded.
2. If the Planning and Zoning Commission "approves" the zone change, it will advance to the City Council for their consideration, with a "do-pass" recommendation from the Commission. However, if the zone change were to be denied by the Commission, the zone change will be dead, and will not progress to City Council, unless an appeal is requested, in the manner specified by Code.
3. Conditions of approval are permissible with the vacation and replat, but are not with zone changes.
4. 16.16.020 General engineering principles for Casper streets and utilities:

(C)(3) – All lots must have frontage on either a dedicated public street or a dedicated public access easement. The minimum width of the frontage must meet all minimum code requirements.
5. 17.68.040(B) – Minimum lot width in the C-2 (General Business) zoning district. None Specified.
6. 17.08.010 (Definitions) –
 - "Flagpole" in reference to a "flag lot," means a strip of land, a minimum of twenty-four feet (24') in width, connecting the widest area of a "flag lot" to the public right-of-way and may be used as the means of access.
 - "Flag Lot" means a platted parcel of property shaped like a flag or panhandle with its widest area set back some distance from a publicly dedicated and improved street, and having a strip of land ("flagpole") that provides the property with frontage on a public street.

Summary:

Application has been received for a proposed plat creating the Pasadena Addition to the City of Casper, encompassing 20-acres, more or less. The subject property is currently occupied by the Best Western Hotel (Formerly the Parkway Plaza). The majority of the area involved is currently platted; however, a portion of the subdivision located north of the Best Western Hotel building,

generally identified as proposed Lot 1, is currently unplatted and unzoned. In a companion item, the Planning and Zoning Commission is being asked to approve a zoning request that would zone the entire Pasadena Addition as C-2 (General Business). The majority of the area involved in this request is already zoned C-2 (General Business), and the requested zone change can be seen as merely a housekeeping item to ensure the continuity of zoning for the property.

The proposed plat is reconfiguring the property into six (6) new lots, ranging in size from 1.1-acres to 7.65-acres in size. Proposed Lots 3-5 are configured as “flag lots” in order to meet the requirement that all newly created lots must have frontage on a dedicated public street. Although the lots have frontage on the Interstate 25 right-of-way, meeting the City’s frontage requirements, practical access will not be possible in that location. The applicant/owner plans to provide practical access to the parcels with a separate easement/instrument across proposed Lots 1, 2 and 6 in the future.

Staff has not included any recommended conditions of approval for the Planning and Zoning Commission’s consideration. Applicable City requirements and minimum standards are listed above, in the Code Compliance section of this staff report.

Replat/Zoning Creating the Pasadena Addition

Replat/Zoning Creating the Pasadena Addition

October 7, 2022

MEMO TO: Ken Bates, Chairperson
Members of the Planning and Zoning Commission

FROM: Liz Becher, Community Development Director
Craig Collins, AICP, City Planner

SUBJECT: **SUB-267-2022** – Petition for a vacation and replat creating the Valley West Business Center No. 2, encompassing 8.52-acres, more or less, and located at the northeast corner of the intersection of CY Avenue (WY State Hwy 220) and Valley Drive. Said vacation and replat comprises Valley West Business Center, Lots 1 through 6 Addition, & a Portion of Commercial Tract 1, Paradise Valley Subdivision. Applicant: Half Barrel, LLC.

Recommendation:

If, after hearing public testimony, and considering the facts of the case, the Planning and Zoning Commission finds that the proposed vacation and replat meets the minimum requirements of the Casper Municipal Code, staff recommends approval with a “do pass” recommendation to the City Council with the following recommended conditions:

1. Prior to review by the City Council, a shared access easement shall be added to the plat on the shared lot line between proposed Lot 1 and proposed Lot 2 in order to reduce the number of future curb cuts/points of access onto Valley Drive.
2. At such time as directed by the City, the Owner shall construct, or participate financially in the cost of construction of a public sidewalk or pathway along the Wyoming Boulevard frontage of the subdivision, per City code. The amount of financial participation will be determined by the City, based on an analysis of then-current costs.
3. The Owner shall be required to upgrade the existing public sidewalk along Valley Drive to current City standards, and to complete missing section of sidewalk in the vicinity of the intersection of CY Avenue and Valley Drive.
4. Prior to the issuance of a Certificate of Occupancy (C/O) for the construction of any structure within the subdivision, standard City sidewalk shall be constructed along the entire Iris Street frontage of the subdivision. If inadequate room is available within the right of way because of existing obstructions placed within the right-of-way, then Owner shall construct the sidewalk within the subdivision, and shall dedicate a public access easement for said sidewalk in a form acceptable to the City.

5. Owner shall replace dead and dying landscaping (trees) on Proposed Lot 3, that were previously required with the development on Proposed Lot 3.

Code Compliance:

Staff has completed all public notice requirements of Section 16.24 of the Casper Municipal Code pertaining to replats, including notification of property owners within 300 feet by first class mail, posting a sign on the property, and publishing legal notice in the Casper Star-Tribune. **At the time that the staff report was prepared staff had not received any public comments.**

Applicable City Codes and Adopted Policies/Plans

1. The Planning and Zoning Commission's decision with regard to the vacation and replat is a recommendation to Council. With an approval, a "do-pass" recommendation will be forwarded. With a denial, a "do-not-pass" recommendation will be forwarded.
2. 16.16.020 General engineering principles for Casper streets and utilities.

(S)(b) - Commercial Areas. Curb and gutter with sidewalk or curbside shall be required on both sides of the street in all commercial areas.

3. Title 17, Appendix B, Landscaping Criteria.

(J) – Upon demand, dead landscaping shall be replaced/replanted.

(K) – Landscaping shall not interfere with public utilities, restrict pedestrian or vehicular access, or constitute a traffic hazard.

4. Generation Casper – Comprehensive Land Use Plan - Transportation – (Page 4-8) – "Access Management"

"A minimal number of adequately-spaced access points preserves the capacity of the roadway and provides smoother traffic flow on arterial and collector roads. Limiting the number of driveways can also reduce the number of traffic accidents."

Summary:

Application has been received for a proposed vacation and replat creating the Valley West Business Center No. 2, encompassing 8.52-acres, more or less. The property is zoned C-2 (General Business) and the replat is creating five (5) newly-configured lots, ranging in size from 0.76-acres to 2.97-acres in size. Proposed Lot 3 is currently developed (Paradise Valley Liquors & Lounge), and the balance of the subdivision is undeveloped/vacant. Access to the subject area is via Valley Drive and/or Iris

Street. Although the Subdivision has frontage on CY Avenue, it is unlikely that the Wyoming Department of Transportation (WYDOT) would allow private accesses directly onto CY Avenue. There is no minimum lot size required under the C-2 (General Business) zoning of the property.

Staff has included five (5) recommended conditions of approval, for the Planning and Zoning Commission's consideration, and to clarify the City's development requirements for the applicant/owner. All five (5) of the conditions are supported by the requirements of either the Municipal Code, or adopted plans/policies, as outlined above, in the Code Compliance section of this report.

CALL TO ORDER:

Chairman Pollock welcomed everyone, ascertained a quorum, and called the meeting to order at 4:03.

APPROVAL OF THE JULY 25 MINUTES:

Chairman Pollock asked for the approval of the July 25, 2022 meeting minutes. Mr. Cessor moved to approve the minutes, Ms. Meyer seconded. All members voted aye; minutes were approved.

INTRODUCTION OF GUESTS/PUBLIC COMMENTS:

With the large number of guests, Chairman Pollock asked everyone to introduce themselves.

OLD BUSINESS:

Note: Chairman Pollock put the Agenda Items on hold to allow time for the New Business topics.

NEW BUSINESS:

Ash Street/Concert Event Issues - All

Chairman Pollock abstained from the discussions.

The discussions were a group sharing of issues surrounding the summer concerts in the OYD. The neighborhood residents and businesses shared that while they love the live, work, play goals of the OYD, there were issues with the recent concert events. The comments are summarized:

- The Gaslight concerts are loud – most recently the past Saturday night. Neighborhood buildings feel the vibrations. Sound checks appear to go longer than necessary.
- Three (3) Mini-“bombs” were deployed by the concert vans in the alley on July 20 at 1:58 a.m. The noise rattled the neighborhood and awakened the residents who attempted to personally reach out to the revelers.
- Communication to the OYD neighbors is poor about when events will be held. Little notification. There has been a lack of response to calls into the Gaslight management and ownership.
- Ash Street is closed for an unreasonable time for concert set-up – many times from 10 a.m. the day of, until 3 a.m. after the concert. Business access MUST be flagged on the street cones. Customers to the area are of all ages and physical abilities.
- Garbage is excessive after the concerts and the neighborhood has to self-clean.
- Some businesses reported that personal gates were left open into yards following concerts.
- David Street Station events have been okay.
- Police foot patrol is welcomed. Questions arose about event security protocols.
- Bus parking would be preferred in the alley, not on the street.
- ART Walk nights bring many kids along Ash Street.
- Montessori School still needs alley access for parent pickups even on concert nights.
- Rats have been seen in trash dumpsters after concert events.

In summary, everyone agreed that the OYD needs a Win-Win. The Police Chief shared the decibel maximum (65 after 9 p.m.) and the need to ensure that concerts have egress plans in place for the attendees. He will follow-up with Pete Maxwell (one of the

Gaslight owners). Carla Mills-Laatsch said she would review the City's application/process for downtown events.

Neighborhood Development Plans/Discussion – Martin Axlund

Mr. Axlund shared that his development team is completing the Black Tooth Brewery project, and the retail and food fits for the Nolan. The townhome projects (3 along David and 4 along Midwest) are starting. The townhomes will each be 2,500 sf with a 1,000 sf rooftop space. He shared that the Nolan townhomes will be the first market-rate project in the OYD. The townhomes are listed at \$925,000 each. He shared that Nolan West will be the properties along Ash Street; the former warehouse west of ART 321 will be undergoing redevelopment; and the former Stalk-ups lot will see future development. He stated that Brick & Bond (True Companies) is committed to the OYD.

Property Activity in the OYD

Mr. Cessor announced that a new mural has been painted on the west wall of ART 321.
